

Professional Laundry Lockers

Innovative Solutions For Laundry Lockers & Hygiene

Professional Laundry Lockers Click-O-Matic®

A new revolutionary concept:
Reducing transport and
storage costs.
Simplifying the
refurbishment of
installed lockers.

Delivered assembled or flat-pack

Easy assembly:

by 1 person
within 5 minutes
no tools required

Lockers for folded and hanging garments

With the Click-O-Matic® we present a revolutionary concept which completely changes the laundry lockers business. The Click-O-Matic® flat pack delivery reduces the impact of transport costs and the economic impact of the refurbishment of installed lockers. It guarantees the maximum and the easiest mobility during the installation on site and great flexibility after the installation.

- > **NEW** Revolutionary 'click' system - Patent pending
- > **NEW** Available also as flat pack for stock with limited space
- > **NEW** Easy assembly allows for easy refurbishing on site
- > Assembly by one person in five minutes, no tools required
- > Robust and solid structure
- > Standard colours white frame and dark grey doors
- > Optional blue, red or white doors available for personalization
- > One unique main door

CONSUMER LOCKERS

We also have a consumer locker available with the same revolutionary concept of the Click-O-Matic® range.

This new individual locker is the ideal solution for locker rooms in sports centres, schools or professional environments.

It provides safe storage for personal belongings

For more information please check out our brochure:
Consumer lockers

New

Professional Laundry Lockers Eurostyle

The Eurostyle range of lockers has been designed for folded garments.

Eurostyle lockers are very strong thanks to high density riveting.

The heat-treated epoxy coating increases their corrosion resistance.

- > Space-saving compact size
- > Longlife powder-coated steel
- > Master key for main door
- > Individual cam lock or combination lock for compartments doors
- > Stability thanks to numerous aluminium rivets (stainless steel)

Professional Laundry Lockers Change-O-Matic®

For more than 30 years, we produce Change-o-Matic® garment lockers. This range established our leading position as a supplier of robust locker systems for the textile rental service market.

In this line, we offer a 10-compartment standard locker, a 9-compartment locker and a 10-compartment locker for large volumes, designed for folded garments. Both can be completed with bulk collectors.

- > Extra-wide compartment door swing: 180°
- > Individual cam lock or combination lock for compartments doors
- > Ventilation holes for better air circulation
- > Particularly safe locking by triple latch lock system
- > Master key for main door
- > Durable powder-coated steel
- > Stability thanks to numerous aluminium rivets (stainless steel)
