522 STRAIGHT CUT

Hand paper towel roll dispenser automatic straight cut

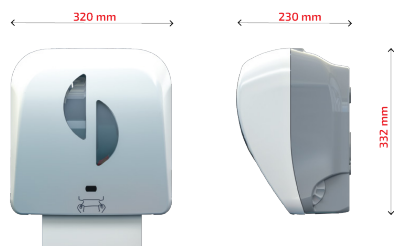

The 522 Straight Cut is the ideal solution for dispensing paper hand towels with a straight cut, thanks to our high-performance, patented mechanism. The use of recycled materials makes this dispenser a solid sustainable solution.

- Unique and patented "straight cut" system
- Easy to switch to no touch sensor version (057934/001) and vice versa
- Tested to cut up to 40.000 m of paper (about 267 rolls of 150 m)
- Responsible production
Backplate 100% recycled ABS / Cover 25% recycled PS / Mechanism body produced with fully recycled materials (ABS)
- Controlled distribution of paper towel length (25 cm)
- Customizable to proprietary captive systems with special corks
- Closed with key lock system - permanent key available
- Antibacterial rotary side wheel
- Equipped with bubble level for easy positioning
- Rubber feet on the backplate assure the stability on the wall and reduce the noise
- Metal hinges
- Paper supports (yokes) can be adjusted without taking the dispenser off the wall
- Screws for mounting supplied
