522 STRAIGHT CUT

Paper towel roll dispenser with automatic straight cut

The 522 Straight Cut is the ideal solution for dispensing paper hand towels with a straight cut, thanks to our high-performance, patented mechanism. The use of recycled materials makes this dispenser a solid sustainable solution. It is easy to switch to no touch sensor version and vice versa.

- Key locking system - permanent key available
- Paper supports (yokes) can be adjusted without taking the dispenser off the wall
- Perfect view of the consumable
- Unique and patented "straight cut" system

- 100% recycled PP with wood fibers. No virgin plastics are used for the product covers and backplates.
- Mechanism body produced with fully recycled materials (ABS)
- Fully recycled cardboard boxes and recycled plastic bags
- Antibacterial rotary side wheel
