The Personal storage locker is ideal for locker rooms in professional environments but also sports centers, schools, or offices. The lockers come with two shelves, a clothes rail, and two hooks at each side to easily store clothes, bags, and shoes. A key lock assures that all personal belongings are safely stored.

The lockers are equipped with adjustable feet and have ventilation holes on the front and back, and can with a slope top and with a single stand.

Also available is a bench which holds the lockers perfectly in place.
