

Personal storage locker

Grey frame, Ultramarine Blue doors

470123/101 1C - 1 door

470223/101 2C - 2 doors

The **Personal Storage Locker** is an ideal storage solution for locker rooms in **professional environments**, as well as for sports centres, schools, and offices.

Each locker is equipped with two **shelves**, a clothes rail, and two **hooks** on each side, providing convenient and organized storage for clothes, bags, shoes, and other personal belongings. A **key lock** ensures secure storage, while different locking systems are available to meet specific requirements.

The lockers feature **adjustable feet for easy levelling** and can be completed with a slope top and a single stand for additional flexibility and functionality.

A **matching bench** is also available, providing comfortable seating while securely positioning and stabilizing the lockers.

- Two shelves for organized storage
- Clothes rail and four side hooks
- Secure key lock with alternative locking systems available
- Adjustable feet for easy levelling
- Optional sloping top and single stand
- Matching bench available for added comfort and stability
