'The Soap' - exclusive foam dispensing system

The stylish soap dispenser completes our papercut range.

'The Soap' is our newest soap dispenser which offers a polished design that perfectly blends with one of our papercut dispensers. Whether you want to install it next to our Autocut or Picocut, or next to our sensor paper towel dispenser Pico S, it makes a great combination.

'The Soap' uses our foam soap cartridges. The easy pull handle allows for a controlled soap consumption. The large window on both sides gives a direct view of the soap consumption for a more efficient service.
